# Aquarium Set **Glossy ST**

A novelty in the Aqual range – the Glossy ST set in fashionable colours: gray, white or black.

Set is ideal for aquarium enthusiasts who appreciate classic style and the safety offered by Safe Tank technology, which prevents the tank from leaking.

AQUAEL

Grey is a neutral colour, an intermediate point between black and white.

Brilliant white and classic black are always a good choice for any elegant interior.

Aquael Glossy ST

# Aquarium Set Glossy ST

Elegant, functional and safety aquarium.

5 models:

Smart Open System, which holds the cover in an upright position during aquarium maintenance

Ledy Tube 2.0 D&N lighting, three light modes: DAY, DAYBREAK, NIGHT

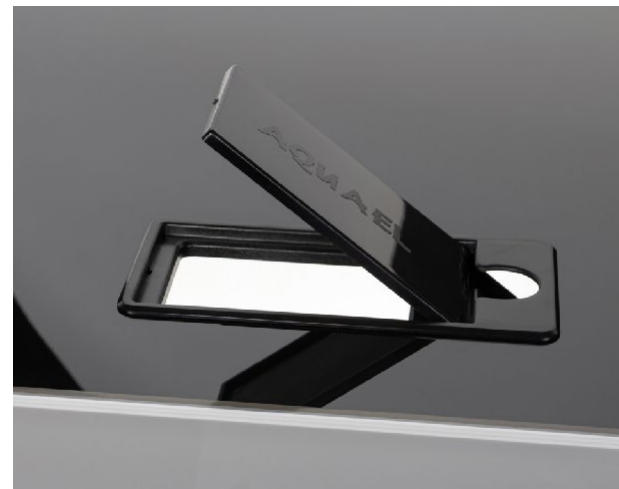

Expandable and repositionable light frame

Flap in the lid, convenient access to the tank (feeding, administering preparations) without having to open the lid

Holes in the rear wall of the tank for convenient attachment of accessories

Safe Tank (ST), a layered glass bonding system

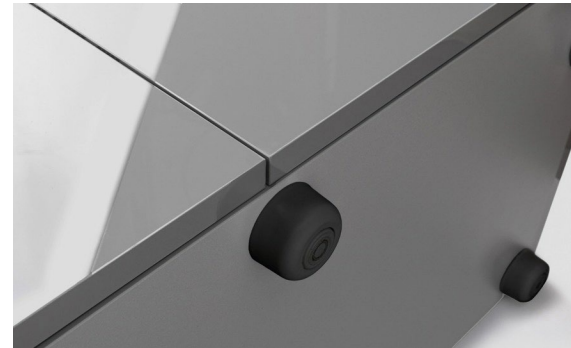

Reinforcements inside the tank

# Cabinet **Glossy ST**

Dedicated cabinets for Glossy sets in the same colour as the tank, finished in a high gloss to coordinate with the tank.

5 models:

The lack of a full back wall provides freedom of installation of aquarium equipment (filter hoses, power cables)

Roomy cabinet interiors provide space for all the necessary aquarium accessories

Adjustable feet make it possible to adjust the cabinet to any unevenness of the floor

High-gloss finish, creates a coherent whole with the aquarium

Magnetic latches for easy opening and closing of cabinet doors
